BLESSED BE C Gates

**Blessed be all creatures great and small
Blessed be the skies up above
Blessed be the fertile fields of God's green earth
And bless all the people with love
Bless the people with love**

**Love to my neighbor, love to my kin
Love to whatever shape I'm in
Even to the ones who love to destroy
Love to those who share their compassion and joy
Their compassion and joy**

**And it's hallelujah sing a song
Hallelujah won't ya come along
Love to one another, it's right and true
Love for heaven's sake, it's me and you**

**Blessed be the merciful with open hearts
Blessed be the guides along our way
Blessed be the simple truth of life itself
And bless us all this day
Bless us all this day**

**And it's hallelujah sing a song
Hallelujah won't ya come along
Love to one another, it's right and true
Love for heaven's sake, it's me and you**
